

Fortune of Year 2026 for People Born in the Year of the Dog

Career Tip: Strive Hard During Favorable Times, Beware Of Being Framed

Although this is not a year of tremendous fortune for those born in the Year of the Dog, your luck is still quite prosperous, making it the perfect time to forge ahead and pursue your ambitions. With the Unlucky Star "Five Ghosts" in your chart, you must be on guard against backstabbers who may attempt to sabotage your career development.

Fortunately, the presence of the Lucky Star "The Three Pillars" in your Self Palace will keep the malice at bay, so as long as you remain vigilant, they will not pose a serious threat. Remember the age-old wisdom: "It is better to resolve enmity than to create it," so once an issue is settled, let it go.

The Unlucky Star "Yellow Funeral Flag" serves as a warning that old grievances may be brought up again, stirring up gossip, disputes, or even legal troubles. You must handle these situations carefully to prevent them from negatively impacting your career.

Thankfully, the Lucky Star "Earthly Salvation" is also in your chart, turning bad luck into good fortune. This predicts that if you act prudently, the challenges you face will be alarming but not harmful, and you will ultimately achieve a satisfactory outcome.

This year, Rabbits and Sheep will be your greatest allies in your career; work closely with them, and you can create a brilliant future. East is the most favorable direction for your career, and industries associated with Fire and Metal will bring the best prospects.

Financial Tip: Volatile Wealth, Save For Lean Times

Your financial fortune this year is relatively strong but highly volatile and unpredictable, so it cannot be considered entirely auspicious, and you must live within your means. Your regular income will be substantial but unstable, so it is wise to start saving for lean times. It is best to avoid all forms of investment and gambling this year; otherwise, you may very likely regret it.

The presence of the Unlucky Star "Legal Spell" warns that you could spend a significant amount of money due to legal disputes. It would be best to reach an out-of-court settlement to save time and money.

Health Tip: Protect Your Liver And Kidneys, Care For The Elderly

Your health will be unstable this year, so you must pay close attention to your dietary hygiene to stay well. Your liver and kidneys are particularly vulnerable; it is crucial to abstain from smoking and alcohol to avoid a decline in your health.

The presence of the Unlucky Star "Loose Hair" is a signal to pay close attention to the health of elderly family members; do not be negligent.

In addition, be mindful of home safety during the winter months, with a focus on fire prevention and security against theft.

Relationship Tip: Destined To Meet But Not To Be Together, Let Things Take Their Course

This year, you are prone to attracting gossip and disputes. Be mindful of your words, stay discreet to protect yourself, and keep away from circles of conflict. In matters of romance, you are destined to meet people but not to be with them.

Although you may encounter many potential partners, none of them will be the ideal match, leaving your love life empty. Since the timing is not right, it is best to let a relationship take its natural course, as forcing things brings no benefit.

Lukcycharm: Dog And Rabbit In Harmony

In traditional Chinese astrology, the Dog and the Rabbit are one of the "**Six Harmonies**." A dog is chewing a bone and a rabbit is nibbling a carrot on a wooden box. They are happily enjoying their food, forming the auspicious omen of joy and harmony.

Those born in the Year of the Dog will enjoy a prosperous year but must stay clear of malicious people. Your financial luck is average, and you should be mindful of your liver and kidneys. It is advisable to place "**Dog and Rabbit in Harmony**" in the east or at your desk to enhance your fortune.
