

Fortune of Year 2026 for People Born in the Year of the Monkey

Career Tip: Take Cautious Steps, Be Law-Abiding

For those born in the Year of the Monkey, your fortune this year is less than ideal. With few Lucky Stars in your Self Palace, the path ahead will be fraught with obstacles. You must tread carefully, as a single misstep could lead to a setback from which you cannot recover. The Unlucky Star "Funeral's Door" looms over you, warning of a high risk of getting entangled in legal troubles and disputes. Therefore, you must follow rules and abide by laws to avoid falling into legal trouble.

In addition, steer clear of petty people and harmful friends, lest you be implicated in their troubles and left with deep regrets. The Unlucky Star "God of Loneliness" also resides in your chart, which warns that your emotions will be volatile. You may find it hard to connect with others and will be inclined to seek solitude. If you allow this to continue, you may become isolated and find yourself unable to make any progress.

The "Travelling Horse" star is active this year, and you will frequently travel. On your journeys, always be mindful of traffic and your personal safety; remember to be cautious of others' intentions.

This year, Oxen and Dragons will be your greatest allies in your career; working closely with them can help you break through challenges. West is the most favorable direction for your career, and industries associated with Wood and Earth will bring the best prospects.

Financial Tip: Increase Income And Reduce Expenses, Guard Against Theft

Your financial fortune this year is mediocre and uneventful. While your regular income will be acceptable, you will face considerable extra expenses. It is highly likely that your spending will outpace your earnings, leading to a financial crisis. You must find ways to increase your income and reduce expenditures, and it is crucial to start saving for a rainy day. Avoid making major investments or engaging in speculative trading, as you risk losing all your capital.

During your frequent travels, be exceptionally careful with your money and documents to avoid the risk of being stranded in a foreign place. At the beginning of the year, secure your doors and windows to guard against theft and burglaries.

Health Tip: Protect Your Digestive System, Mind Your Diet

Your health will be poor this year. You must pay close attention to your dietary hygiene and maintain healthy habits to avoid leaving yourself vulnerable to illness. You will be particularly susceptible to digestive problems, so pay close attention to your gastrointestinal health and do not treat any issues lightly.

Your emotions will be highly volatile, making you prone to erratic mood swings. It is essential to work on managing your emotions early

on, as keeping them in check will be greatly beneficial for both yourself and those around you.

When travelling for business or pleasure in the summer, prioritize your safety and avoid venturing into dangerous places.

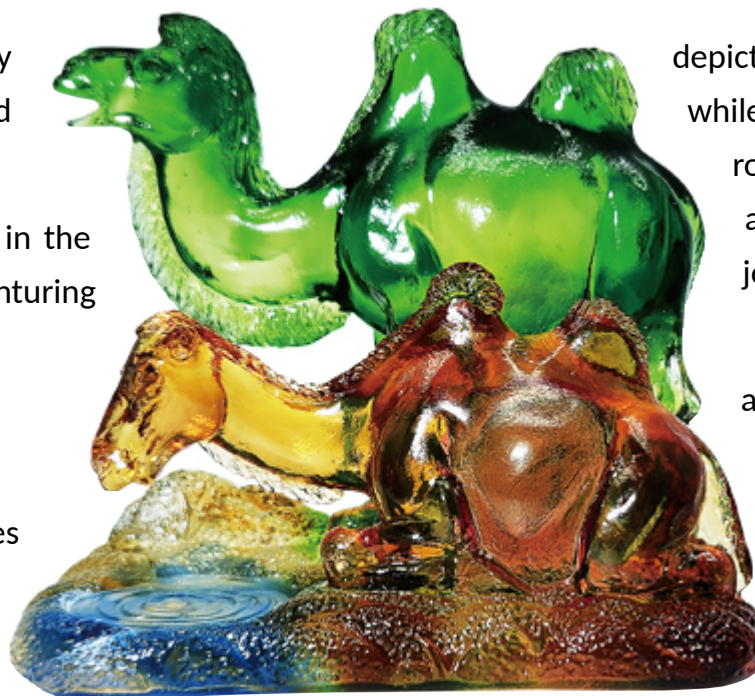

Relationship Tip: Complex And Unpredictable, Don't Be Critical

You will exhibit self-centered tendencies this year, often disregarding others' feelings, which could lead to you becoming isolated. In romance, your relationship will be complex and unpredictable, marked by frequent breakups and reconciliations.

You must remain calm and exercise restraint; do not let your emotions dictate your actions, lest you harm yourself and others. Avoid being overly critical of your partner, as this could turn love into bitter resentment.

Lukcycharm: Enduring Journey

The camel is able to journey thousands of miles across the desert because of its ability to endure thirst, hunger, and hardship. This charm

depicts two camels: one is lowering its head to drink, while the other looks up, gazing toward the long road ahead. Together, these two camels form an auspicious omen of a long and successful journey.

Those born in the Year of the Monkey have a challenging outlook this year. You are susceptible to attracting malicious people and may find yourself entangled in disputes, making it difficult to move forward. It is advisable to place "**Enduring Journey**" in the west or at your desk to ward off negative energy.
