

Fortune of Year 2026 for People Born in the Year of the Pig

Career Tip: Work Hard And Persevere, Stay The Course

For those born in the Year of the Pig, your fortune this year is mediocre, as there are very few Lucky Stars in your Self Palace. Progress at work will be hampered by numerous obstacles, and you may face periods of stagnation.

But do not give up because of this; it is essential to persevere through these challenges, or all your previous efforts will go to waste.

The presence of the Unlucky Star "Deadly Spell" warns of a significant decline in performance due to insufficient work enthusiasm and too many distractions. Remember to devote your full attention and effort to your job, or you will risk being eliminated.

In addition, you must make a special effort to improve your interpersonal relationships; gaining the support of others will help remove many hurdles.

Since the timing is not yet right, your career strategy should be defensive, not offensive. Avoid making any rash moves, as they could lead to a devastating failure.

Fortunately, the Lucky Star "Lunar Virtue" shines upon you, indicating that benefactors may offer guidance, helping you break through professional difficulties.

This year, Sheep and Rabbits will be your greatest allies in your career; work closely with them, and you can achieve remarkable success. West is the most favorable direction for your career, and industries associated with Fire and Metal will bring the best prospects.

Financial Tip: Sluggish Financial Fortune, Guard Against Theft

Your financial fortune this year is sluggish. While your regular income will be acceptable, you must not chase after windfalls, as doing so will likely lead to financial losses. It is best to politely decline any invitations to join business ventures to avoid losing both your money and the friendship.

The presence of the Unlucky Star "Gradual Drain" warns that your money will be prone to loss, so you must manage your finances with extra caution. Furthermore, the Unlucky Star "Robbery Threat" warns of potential theft and robbery. Ensure that doors and windows are securely locked at home and in the office, and be extra vigilant about your safety when going out on summer evenings.

Health Tip: Stay Away From Vices, Avoid Overwork

Your health this year is average, with a weakened immune system. Therefore, you must pay close attention to self-care and avoid overwork, which could lead to frequent minor illnesses or even more serious problems. Your liver and lungs are particularly vulnerable. If any issues

arise, seek medical attention immediately and do not delay treatment.

You may find yourself drawn to addictions like smoking, alcohol, or narcotics. It is critical to pull back from the brink before it's too late and avoid indulging in these habits, lest you become deeply mired with no way to escape.

During autumn, be extremely careful when climbing high places to prevent falls and injuries.

Relationship Tip: Control Your Emotions, Don't Be Obsessed

This year, you are prone to arguments and conflicts with others. You must do your best to control your temper to prevent small disputes from derailing your larger goals.

In matters of love, do not neglect your partner or become overly critical, as this could strain your relationship and drive you apart. Do not be too obsessed in your relationship; learn to let go and take things more lightly.

Lukcycharm: Perfect Harmony

In Chinese, "pig" and "pearl" share the same pronunciation, so when brought together, they symbolize a harmonious union. The smiling pig is resting on a stone wall, leisurely observing a large pearl inside a clam by the water. Together, the pig and pearl form an auspicious omen of perfect harmony.

For those born in the Year of the Pig, your fortune this year is mediocre, and you must improve your interpersonal relationships. Your finances are unstable and prone to loss, and you must guard against theft and robbery. It is advisable to place "**Perfect Harmony**" in the west or at your bedside to ward off negative energy.
