

Fortune of Year 2026 for People Born in the Year of the Tiger

Career Tip: Retreat To Advance, Silence Is Golden

For those born in the Year of the Tiger, this year will be fraught with obstacles and rough patches because your Self Palace is afflicted by numerous Unlucky Stars with no Lucky Stars to offer any resolution. Therefore, a defensive strategy is highly recommended; avoid acting rashly, lest you suffer a fall from which you cannot recover.

The presence of the Unlucky Star "Point at the Back" warns that you are susceptible to gossip and criticism from behind your back. To counter this, you must maintain personal integrity and be exceptionally mindful of your words to avoid inviting disputes that could lead to endless trouble.

Under the influence of the Unlucky Stars, "White Tiger" and "Fierce Hercules", you may face unreasonable suppression from superiors or powerful people, leading to frequent constraints in your work. It is crucial to remain calm and retreat to advance. Do not confront directly, as this could sabotage your future prospects.

Furthermore, the Unlucky Star "Earthly Threat" indicates traps along your path, so you must heighten your vigilance and think carefully before taking any action.

This year, Dogs and Sheep will be your greatest allies in your career; working closely with them will pave the way for a bright future. East is

the most favorable direction for your career, and industries associated with Earth and Fire will bring the best prospects.

Financial Tip: Manage Finances Cautiously, Beware Of Being Swindled

Your wealth star is damaged this year, leading to a period of sluggish and volatile financial fortune. You must be exceptionally careful and prudent with your finances to prevent a significant and continuous drain of money. Your regular income will be unstable, and you should not entertain any hopes of windfalls. It is wise to start saving for a rainy day as early as possible.

The presence of the Unlucky Star "Swallowed Up" warns that a moment of carelessness could result in your wealth being embezzled by deceitful people around you. You must carefully review all financial statements and accounts to prevent others from taking advantage of any negligence. Between summer and autumn, be an astute judge of character to avoid being deceived and losing money.

Health Tip: Exhausted In Body And Mind, Exercise Self-Control To Avoid Disaster

Your health will be less than ideal this year. You will find that your stamina is low, and you may often feel physically and mentally exhausted, which will seriously impact your daily life and work. You must

Fortune of Year 2026 for People Born in the Year of the Tiger

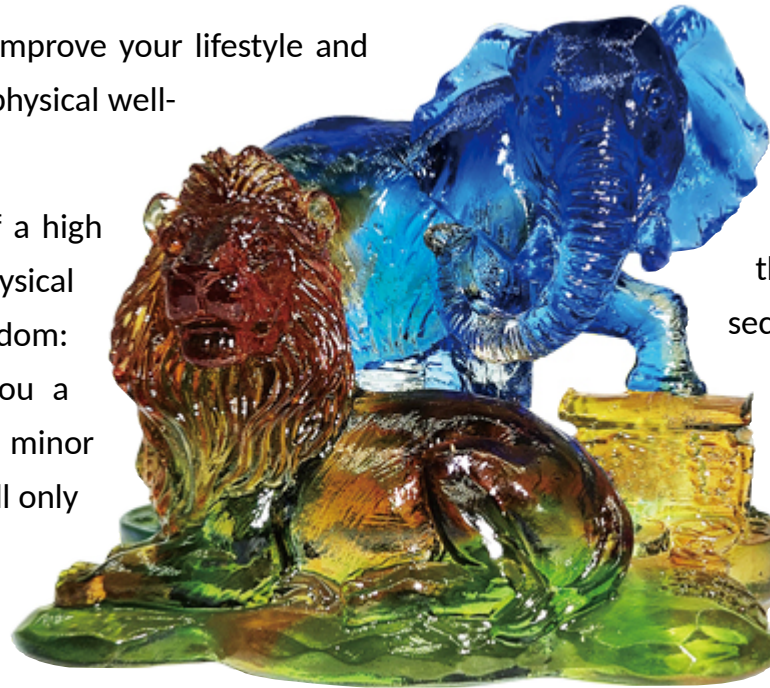

pull yourself together, seek expert advice to improve your lifestyle and dietary habits, and prioritize working on your physical well-being.

The Unlucky Star "Year Threat" warns of a high probability of conflicts that could lead to physical injury. Always remember the ancient wisdom: "Enduring a moment of anger can spare you a hundred days of trouble." Never argue over minor issues with others, as a direct confrontation will only result in a lose-lose situation.

Relationship Tip: Uncertain Relationship, Forcing Things Brings No Benefit

You will be prone to attracting disputes and will find your relationships with others strained. It is essential to maintain a low profile and treat everyone with kindness. In addition, you must watch your words carefully to avoid provoking arguments.

In your romantic life, your relationship with your partner may feel distant and uncertain, filled with insecurity and anxiety. Remember to let fate take its course rather than trying to force the outcome. Forcing the issue will be fruitless, so do not needlessly torment yourself by overthinking things.

Lukcycharm: Lion And Elephant Guarding Wealth

In Chinese astrology, there is a saying: "When the lion and elephant guard the door, thousands of chests and countless treasures are secured," symbolizing the power to protect and accumulate wealth. A majestic lion rests on gold ingots, while a mighty elephant sets its foot upon a treasure chest, forming an auspicious omen signifying protection of fortune.

Those born in the Year of the Tiger face a challenging path this year, with many obstacles at work. With your wealth star damaged, you must be on guard against those who would embezzle your money. It is advisable to place "Lion and Elephant Guarding Wealth" in the east or at your desk to ward off negative energy.
